Greetings and welcome to the Once Upon a Grill e-newsletter,

Dennis Mayer  
Chef/Owner

We are honored and proud to be associated with David's Bridal Company in their Vendor Program. In addition to being the Preferred Caterer, we are also the Preferred Caterers in many of the surrounding venues here in Southwest Georgia.

We are known for the quality of our foods and the services that we provide, not only our Brides but other customers as well. One of the things that sets us apart from other food service providers is the fact that we have bi-monthly food tastings here in our kitchens. As you can imagine they are by invitation only and are open to all registered Brides. If you have not chosen a food provider for your special day, we encourage you to contact us and sample some of our foods.
